Annual Report 2023

January 1, 2023—October 31, 2023

AIM and local partners put on spring and fall dance. They also offer painting, creative mask making, ceramic and other craft classes. AIM programs to support staying healthy include healthy living, fitness, walking club and bowling league. AIM offers education seminars to learn about guardianship, person-centered, government and basis classes.

AIM has a self-advocacy group called People First. The group is led by people with disabilities with some assistance from advisors. They elect their own officers for a two-year term, plan events for Third Thursday of every month and volunteer for many things.

AIM is fully funded by individual, companies, sponsorship and grants. We greatly appreciate the generosity of all the supporters, board members and volunteers.

People First meeting

Farm Tour

Walking Club

Spring Dance

Mission: AIM provides opportunities and resources to support inclusion and independence for people with disabilities.
